Don't tell your friends of it. They would think it so strange. You see, they know Ayer's Hair Vigor checks falling of the hair, restores color to gray hair, and makes the hair grow. Then why don't you use it?

"I was afflicted with heart trouble for three years. I would be apparently all right, and without a moment's warning would fall as though shot. The attacks were frequent, and a terrible dread possessed me, as I never knew when or where, nor under what conditions I would be attacked, and whether I would survive them. I consulted and was treated by some of the most eminent physicians of the state. Not finding relief from this source, I began taking Dr. Miles' New Hoart Cure, and began to improve at once. I used ten bettles, which entirely cured me, as I have not had an attack for five years."—MRS. JOHN DRESEACK, Leipsic, O.
